

PSANÍ VELKÝCH PÍSMEN – EXERCISES

E1/ DOPIS PŘÍTELI - OPRAVTE CHYBY V PSANÍ VELKÝCH PÍSMEN

dear Tom,

my friend Susan and i are spending a few days in moravia, at the moment we're sitting outside a café in the old town, enjoying lunch and a glass of moravian red wine and looking up at the cathedral of st peter and st paul, which stands high above this part of the city. we've just visited the old town hall and the moraviam museum, after lunch we're going to explore the lower town – the church of st james, the mahen theatre, the janáček opera house – and do some shopping. then we'll probably go and look at the best-known building here, špilberk castle, which was built in the 13th century by one of the premyslid kings. as a history student you will probably be interested to know that tomorrow we're going on a trip to slavkov castle, where napoleon stayed after the battle of austerlitz in 1805.

i hope you're well and studying hard. happy easter, and write soon!

Honza
